One more question, what is your current mailing address? Will it be the same for both Michael Shannon and later Kurt Batsel?

Thank you,
Michael

Hi Shantal,

Good luck and enjoy your move to San Diego! The pending Triple Site cost package should go out before your transfer Feb 26. For this upcoming cost package I'll go ahead and add Michael Shannon as a cc: as follow, unless you indicate otherwise:

TO: Shantal
CC: Michael Shannon and Robert Ariatti

Thank you,
Michael

Good morning, Michael!

No problem on the recall! I have an update for future distributions. I recently accepted a new position within Northrop Grumman in a different department located in San Diego and I will be leaving my current role as project manager for this site end of February. Therefore I request you remove my name from any distributions **after February 26, 2021** and add Michael Shannon in my place. Here is his contact info (mailing address remains the same, all you need to do is update the name):

Michael D Shannon Michael.Shannon@ngc.com

As an FYI, Kurt Batsel will be taking over for project management activities, so reports and other such items will be coming from him and not Michael Shannon.

It's been a pleasure working with you, even though it was for a short while! Please let me know if you have any questions regarding our recent submittals before my departure.

Hi Shantal,

I recalled the message below as you can disregard. I was reading acros the wrong row and mixed up that Shaun Moore is with AMD. The upcoming cost package will be addressed to you with a cc: to Robert Ariatti.

Hi Shantal,

The EPA annual bill package for Nov 1, 2019 - Oct 31, 2020 is being finalized. For NGC, the Triple Site OOU (i.e. not for the TRW Microwave site) cost package was last addressed to Shaun Moore; however, I cannot find his name in our past emails to be included in the distribution list one way or the other. Should the Triple Site cost package be addressed to Shaun Moore?, and then cc:ed to you and Robert Ariatti? While your bullet #2 below notes for Michael Shannon to replace Joe Kwan he is not included in the distribution list.

Thank you,
Michael

Subject: FW: Transmittal of Cost Billing Package for the TRW Superfund Site

Hi Michael-

A couple of comments:

1. Can we remove Shawn from the distribution list? E-mail and hardcopy. As I stated in a previous e-mail, she doesn't need to stay copied in these invoices since she is the president of our sector.
2. Joe Kwan retired from Northrop in 2017. Please remove his name from the records and instead add Michael Shannon Michael.Shannon@ngc.com

Thanks!
