hi –

can you send me the comm strategy when it's done(ish) – I figure if I'm going to be a key contact I should know what's in it. ☺ Also, can you let me know when you all have cleared the package out of Region 9 and sent it to DC? Thanks!

Tamara

Our plan is to finalize the notice by Friday, and have it go through concurrence in R9 on Monday.

Thanks again!

Jan and Erika – Any comments in addition to what Andrea provided?
Andrea – Thanks again and once this is final, hopefully, today, I will send you a clean copy for Janet. She has read the notice already but has not seen this.

Thanks,

I have a few minor comments on the attached. I'm adding Jan and Erika for their input. We're all early birds, so we'll have any comments back to you before you get up.

Thanks and again apologies for the delay.

Has Janet seen these? I can't remember if you said she had.
