Chip has an 11, at least on his calendar. But, I'll check when he's back in. If not, we can find alternative time.

Thanks for setting this up,
Michael

OK great!

Do you think 1 hour will be sufficient for discussions? I know calendars are tight right now but if we can do 10-12 that will give us more time to review and discuss.

Hi Shantal,

I am not sure if Chip Poalinelli plans to attend, but based on his calendar the following times may work. I'll be able to confirm after Memorial Day.

- Monday June 29: 10-11 (my schedule is open from 10-2)
- Monday June 6: 10-11 (my schedule is open from 11-1:30)

I'll check with Herb and if he can attend, I know his time is limited.

Thank you, and have a good and safe Memorial Day!
Michael

Good afternoon!

I talked to my project team (all copied) and we have the following availability:

June 29 10am – 2pm
July 6 11am – 2pm

We also think it would be beneficial to include Herb Levine in the teleconference since he is familiar with the HSU work and was a part of the site strategy discussion we had with Melanie Morash.

Let us know which day and time works for you. Will you set up the teleconference or prefer I set it up via WebEx? Either way works for us!

Thank you and have a happy memorial day weekend!

Great, thank you for confirming! One correction, the annual reports are for 2018 and 2019, not 2020 as stated below.

We will stand-by for your comments and/or response. Thanks, again!
