Hi Katherina,

Would you be available on Friday to discuss the South Bay sites you are managing? I will look at our schedules and propose a Teams meeting time if that works for you. If not, we can try for Monday or Tuesday of next week.

Thanks,

Hi all:
Happy Monday!
Jana Dawson is going to help us pull together the current status of all our south bay sites, and then to help us develop a strategy to address them all consistently. She will be calling and/or sending an email asking for more information to update and expand the attached table. Please help out as you can.

Many thanks!
