In accordance with the reporting requirements of the February 2012 Clean Water Act section 106 Work Plan, attached are a Word document and an Excel worksheet that contain the mid-year information for the California NPDES Program for State Fiscal Year 2014-2015. The Word document reproduces Tables 3 and 4 of the work plan. Table 3 shows a summary of the information being reported. Table 4 refers to the different tabs in the Excel worksheet that contain the detailed information summarized in Table 3.
