Mr. Harris,

Thank you for participating in the call this morning to discuss the status of corrective actions from your November 21, 2018 letter responding to EPA's August 15, 2018 inspection of the Pacific Seafood facility in Eureka, CA. Also, thank you for the emails after the call to document your facility's return to compliance for most of the identified corrective actions. I will let you know if I have any questions once I review the emails.

As a follow up to the call, I have included Rich Campbell's contact information below:
