Subject: Eureka Inspections

Jim and Jim:

It looks like I will be going to Humboldt County the week of April 16. Since I have spoken to both of you about potential inspections of the Eureka collection system and I spoke to Jim Polek about the unauthorized discharge at Pacific Seafood, I wanted to touch bases with both of you to see if you want to coordinate an inspection of the collection system with me while I am up there. My schedule is committed for April 16 and 17, but I could spend any of the other days inspecting City of Eureka facilities.

I will be on vacation for the next two weeks, and will return on March 26. I will check my email tomorrow, then again on March 21. Let me know if you have the time and interest in meeting me up there.

Cathy
