Show Time As: Free

Importance: High

Required Attendees: AUBUCHON, ELIZABETH (aubuchon.elizabeth@epa.gov)
Optional Attendees: WEISS, MICHAEL; Kostek, Daniel

I think we already covered most of this yesterday so will just send you all an agenda for Russian River collection system audit later.

Few items to add:
Discuss EPA interest in observing sewer system audit at Russian River CSD (end of May) and other sewer audits planned for Eureka, Humboldt CSD, and Arcata inspections planned for end of June. After the meeting, I'll touch base with RB1 folks to clear.
