I've sent to Mike Goodis his final presentation as well as an acceptable draft of my presentation to him. He was leaving at 11 am. He has put these on a flash drive as a emergency back up. You have Mike Goodis' bio.

I am still doing a few tweaks to my presentation and this tweaked version is the one I would prefer to you. Tweaks to done by this evening. I will forward to you via email the tweaked presentation, Mike Goodis' presentation and my bio to you all at once this evening. You already have Mike's bio.

If you have internet at the hotel, you will be able to access the latest versions by email. If you don't have access to email, Mike Goodis has what he and I will need with respect to the presentations on a thumb drive and he and I will work from what's there during our session.

David.

How are you coming on finalizing the presentations? Peter, who is copied on this email, has volunteered to stand in for me and do double duty by staffing this program. Please include a copy of the presentations to him when you email them to me and bring them on a stick just in case. Please do the same with your bio, David. Thank you all -this is going to be a very informative program.
