Ideally, DTSC will comment on the County DPH objectives and sent them to all...we need everyone to treat everyone as part of this CalEPA/County/City/EPA/DTSC team.

Had a productive meeting. They made good progress on their org structure, incorporating many of Steve's suggestions. We talked in detail about management objectives. DTSC will revise the DPH objectives and send them to us for comment. Then Zoe and I will schedule a call with Bellomo before the 8/11 meeting.
