One pager re Exide for GM.docx
ATT00001.htm

FYI - we'll talk about this next week in the context of the embattled state agency (DTSC) and the increasing scrutiny they are facing.

Just closing the loop so you can see what was sent forward.

Jessica condensed it considerably--no mention of the CAA NOV.

Thanks everyone.

Tom/Deldi/Deldi -

As I mentioned in my earlier message below, I have to leave work today promptly at 3:00pm PT for an outside medical appointment, so please feel free to send the one-pager and any talking points by COB (Pacific Time) today as requested either directly to Nicole Distefano in OCIR or you can share with Bill Keener and Kelly Zito who can send on to Nicole if finalized after 3:00pm PT today. Thanks.

Nicole's e-mail is DiStefano.Nichole@epa.gov

Talk to you at 2:00pm PT for our call with Congressman Becerra's staff on Exide.

Importance: High

All -

Please see the request below from Nicole Distefano in OCIR who would like us to put together a one-pager on Exide with a few talking points for the Administrator who will be meeting with some Democrats tomorrow including Congressman Becerra. I am working today only until 3:00pm as I have an outside medical appointment, so if it could be pulled together no later than 2:30pm today, I can send on. Or if it comes in after that, please share with Bill Keener and Kelly Zito who can send on to Nicole Distefano in OCIR. Thanks much.
