Re: Freedom of Information Act Request

Dear Sir or Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and FOIA regulations promulgated by the U.S. Environmental Protection Agency in 40 C.F.R. Part 2, and all other applicable rules and regulations, we request copies of all non-confidential information in the Environmental Protection Agency's Office of Pesticide Programs Registration Division "registration jacket" for the product registered under the Federal Insecticide, Fungicide, and Rodenticide Act as EPA Reg. No. 89668-4.

Under FOIA, the EPA has twenty (20) working days to respond to this FOIA request. We confirm in advance our willingness to pay for all reasonable costs associated with searching for, reviewing, and copying these records. However, before undertaking any search activities that are expected to exceed $1000.00 in costs, please notify us. At that point, we would request that the EPA define the scope of the files to be searched so that we can advise on whether such a search is necessary to meet our needs.

Should you have any questions regarding this request, please contact David Peloquin at david.peloquin@ropesgray.com or +1 (617) 951-7786.

Sincerely,

David J. Peloquin
