Quinn – Attached are some thoughts on the options. I think we need to discuss the basis for each option to better understand the implications and defensibility. Maybe we can talk further on this tomorrow?

Hi Amber,

I do have a summary of the comments filed on the petition, it is appendix A of the briefing I sent you previously. Unfortunately, I do not have a share point of the comments. If you have any other questions please let me know.

Best,
Quinn

Quinn – Do you have a summary of the comments filed on the petition? And any possibility you have a sharepoint on the comments? Just easier to get access to the comments and search through them for the issues I'm looking at.
