I added it as a header to the briefing sheet.

Michelle: Do you have the deliberative / FOIA heading or footnote to put on the document? JMG wants is on our internal correspondence. I'll be letting the rest for the WQPB staff know to start adding it.

I tried to add that comment on the document but I go a read only message.

I added in the language on the court case and a sentence on unreasonably having meaning to our RA Briefing sheet, in the sharepoint folder. Feel free to edit and add more from the DD if wanted.

Thanks,

Michele
