Absolutely. And I think it is a perfectly fine system that we've had in place for years.

Fyi, SELC asked about our decision. And in my response, I hope I stated that correctly.

This is normally handled at the WPD staff level. The WQS coordinator sends the PDF of our action to parties that requested it as a courtesy, a few days after we are sure the state has received it. For example, on the Lower Cape Fear swamp disapproval after Linda Culpepper was notified, I believe Lauren Petter shared the PDF with SELC and Waterkeeper Alliance.

Thanks,

Michele

We don't have a system like that - and I would not recommend starting one. I think we are on a clock to approve or disapprove. There is a briefing for Trey on this next Wednesday and we can discuss SELC's interest.

Mary, hi, you may remember we met months ago on this. Can you advise me of the status of the EPA approval on this please?

Thanks,

Hutton
