> Hello Marianne,

OCR is in the process of determining jurisdiction for your August 19, 2016, complaint which alleges retaliation by ADEM related to open EPA file number 12R-13-R4. As a part of our jurisdictional review we are requesting clarification of your assertion that "ADEM, directly and through the actions of Green Group Holdings, have engaged in and failed to protect Complainants from retaliation and intimidation...." *Please describe how ADEM – as the recipient of funds from EPA, has retaliated against and intimidated the Complainants in the aforementioned complaint.* OCR can schedule a conference call with you to discuss this matter further. Please let me know your availability when you have a moment. Thanks very much!

Lilian
