Good morning,

Are either of you available for a call with New Indy tomorrow at 2:30 to discuss the 114 request? I know some of us have the 112(r) national call scheduled at that time but are planning to join after.

Please let me know when you get a chance.

Thanks!
Marirose

I'm available. Are we talking to New Indy? If so, I'd like to have Jason and/or Denis participate as they are more knowledgeable about the 114 questions.

Thanks, Steve,

After I emailed you yesterday, I had a meeting scheduled for the 10:00am slot on Thursday. Would 2:00pm on Thursday work for you? If not, how about some time on Friday?

If you send the invite, I will forward it to the EPA program staff who might attend.

Regards,
Marirose

Marirose:

Thursday at 10 am works for us. As you know, the Section 114 information request is broad, and it requires a significant undertaking. We would like to walk through New-Indy Catawba's general strategy and timing for responding to the request. If you think it would help to have someone from the program on the call, that is fine with us. I can send an invite unless you would like to do so and include the program representative on the invite. Thanks.

Hi Steve,

Right now, Valerie and I are available Thursday morning at 10 and any time on Friday. Can you please elaborate a bit more on what you want to discuss. I am wondering if it would be helpful to have someone from the program on the call.

Marirose

Marirose and Valerie:

I hope you both had a good weekend. We would like to schedule a brief call with you to discuss the attached Clean Air Act Section 114 information request and New-Indy Catawba's approach to responding to the information request. Do you have any availability this week? Thank you.
