Subject: New-Indy 114 request and response files

Hi Denis,

Pat Foley asked us to check if you could email us the 114 request letter that went out for New-Indy. For the response files, do you all have a SharePoint site we could access or is there another way you'd like to share the files? I know we went through the CBI disclosure issue for some other files back in December (see attached email chain), but let us and Shaun know if you need anything on that front for this latest batch of files.

Thanks,

Dan Roper
