I was wondering the same thing. I just email to ask him to elaborate on what he wants to discuss so we can better gage whether it makes sense to have someone from the program on the call. I'll let you know what he says.

Should someone from the program be on the call to help answer their questions?

Todd, As an FYI, New Indy has reached out to Valerie and me about responding to the latest 114.

Valerie, do you want me to look at our calendars and propose a few days/times?

Marirose

Marirose and Valerie:

I hope you both had a good weekend. We would like to schedule a brief call with you to discuss the attached Clean Air Act Section 114 information request and New-Indy Catawba's approach to responding to the information request. Do you have any availability this week? Thank you.

Steve
