Subject: Dimock Update (1430 hrs., 4/3/12)
Date: 04/03/2012 02:13 PM

No homes sampled today; no additional homes scheduled.

Site team continues to finalize other data packages in preparation for roll-out over the next several weeks.

Visits to the remaining three residents from the first week of sampling will likely be scheduled later in April, along with home visits for successive weeks of sampling, as requested.

Alternate water continues to be provided as necessary.
