MEMORANDUM/REMARKS:

1) Who is signing (WD Director signature, RA Signature) RA Signature
2) Purpose (Why is this going to WD Director or the RA) Formal Tribal Consultation Letter per Region 3's Consultation Policy SOP
3) What documents need to be signed (specify if more than 1) Letter offering consultation for UIC Permit. This is for one enhanced recovery injection well in the headwaters of the Allegheny River
4) Major issues (is this going to be controversial) Possible, the Seneca Nation raised concerns over a previous public notice for a UIC Permit
Is this routine or not routine? Routine
5) Deadlines: When is signature needed (please also include above) ASAP
Is there a statutory/regulatory deadline? No
6) Next steps (where does this go after the WD Director signs – any special actions or instructions) Letter can be emailed directly to Seneca Nation. Draft email is attached to the concurrence package.
7) Does the Director need to be briefed on this prior to signing? No

This should be short and to the point. Should take no longer than 5 min to read. (answer questions above and add anything else below.)
