Kevin:

I did a quick review. My proposed edits are in Track Changes redline/strikeout. If you'd like to discuss, I'll be available in the mid-afternoon . . . but have another matter I need to work on between now and 2:00p.m.

Sincerely,

A.J. D'Angelo

Hi A.J.,

I know you're busy, but do you have time to quickly review this letter to the Seneca Nation. I'll forward it on to Brian Hamilton in OCTEA after you've reviewed it.

Thank you!!

Subject: RE: Roulette Oil & Gas UIC Permit

Hi A.J.,

I realized that I needed to write a letter to the Seneca Nation informing them of our permit decision. That probably should go through ORC and OCTEA. I haven't had a chance to write the letter because of the 10+ meetings I have every day. I plan on starting it today.

I just need to get all of our ducks in a row so when Cathy signs the permit, I can quickly send out the RtC to all the necessary parties.

Kevin:

What's the scoop w/the Roulette Response to Public Comments document ? Thought it was supposed to go into concurrence last week. Hope it does so soon --- as I am only working today and tomorrow this week . . . and EVERY week is a now a "short" week for me through the end of the year.

Sincerely,

A.J. D'Angelo
