All,
After reviewing the emails below and calling USFWS the meeting will be held on Sept. 21 at 11am at the Visitor's Center. We will attend in person and we trust FWS will accommodate other participants, if they require, with either conference call or zoom alternatives.

Regards,
Damon

Damon,

Either day works for EPA. We view the meeting as an opportunity for EPA to hear what the parties believe should/can happen with the Trust property and the FWS property going forward. As such, we do not think we need to attend in person.

For those that are not aware, Rupika Ketu is a RPM that will be working on the Site.

All,
I believe being there in person will help. I am fully vaccinated and will be at the Visitor Center.

Those dates work for us, but with the delta variant on the rise and New Jersey transmission rates going up, we do not believe that an in person meeting is necessary or wise. We would much prefer to do the meeting by video conference.

Let's push it to the week of 9/20. Monday or Tuesday would work best. Not sure yet who will attend.

Hi all,

I will just be getting back from a three-week trip to Alaska on Sept. 9. If that turns out to be the only day that works for everyone, I will do my best to make it work on my end. However, if possible, I would appreciate looking at dates the week of Sept. 20th as well.

It would also be helpful to know who may be attending in addition to the attorneys.

Thanks,
Kim

Rich:
Damon and I are available for the meeting on September 9th but not the 13th or 14th. We can also make ourselves available the week of the 20th.
