Sorry – Pat can you resend me the briefing we gave to Deb? I'll re-attach it to my note on CT PTE rule. Thanks.

Thanks, and sorry for the short notice. I logged on at 12:15.

Two things to flag for you:

- South Fork has not been appealed. Yippee! Greg says you're already aware of this, but it is good that's worth repeating ☺
- CT's 33a/33b SIP approval is likely to come out of IBR review this week. (There are a few administrative things Ariel is working on with the IBR office.) Could you mention this to Deb? My hope is that she can give David the skinny on this action? We could brief him, but I was impressed with how well Deb grasped the issue during our briefing with her, and my thought is she could bring him up to speed it in 2 minutes.
