Thank you everyone for a job well done! I will send it to my DD for his review as well. As Eric suggested, if there are comments from the DDs, we will address them next Monday, 2/28.

Thanks,
Suilin

Hi Eric,

I've reviewed the document, and it looks good to go for director-level review. Thanks for everyone's input – the response is really well crafted and complete. Nice work!

Thanks Brian. Region 1 is wrapping up it's review today, and I know Jessica was also taking a look at it.

I intend to clean up the document and delete comments tomorrow morning, and will the let the group know when it's ready.

As for next steps, I propose that management review concurrently in Regions 1, 2, and OAQPS by COB Friday. Then we can address remaining comments on 2/28 to allow R2 sufficient time to route for RA signature by 3/8.

Hi everyone,

I wanted to update the group that the due date for the Wainscott letter response is Feb. 22. We have a meeting scheduled on Feb. 14th to discuss our draft response. I assume we should aim to finalize by 2/18 to allow time for routing, final concurrence, and signature. The link to the blank document is included below.

Suilin – please let us know if this timeline needs to be adjusted.

Hi everyone,

As we discussed, sharing a link to a draft document for collaboration on the response to the Wainscott letter. Given the goal of a draft response by mid-February, I'm going to set a target of February 10 for a preliminary draft and will schedule a follow-up call to discuss progress / next steps.

Suilin – please keep us posted on the extension deadline.
