Subject: South Fork Wind Press Release Draft

Hi Emily,

My name is CareyAnne Howlett. I am a student intern working under Pat. Here is the draft for the South Fork Wind permit press release. Pat has approved this initial draft and we are looking for any additional edits (in particular, the quote from Deb). The permit is scheduled to be finalized on January 18th and for this statement to be released shortly after. Thank you for your time!

Best,
CareyAnne Howlett
