RETURN RECEIPT REQUESTED – PLEASE REPLY ACKNOWLEDGING RECEIPT

Good afternoon,

Attached is the final Outer Continental Shelf (OCS) air quality permit for South Fork Wind LLC's construction and operation of a 130 megawatt offshore windfarm. This permit is being issued pursuant to the federal Clean Air Act and implementing regulations at 40 C.F.R. part 55. The permit is effective February 20, 2022 unless a timely petition for review is filed with EPA's Environmental Appeals Board pursuant to the procedures in 40 C.F.R. §124.19. *See* 40 C.F.R. §124.15 (issuance and effective date of permit). A copy of the regulations is attached for your convenience.

If you wish to appeal this permit to the Environmental Appeals Board pursuant to 40 C.F.R. § 124.19, please refer to the regulations and to materials on the website of the Environmental Appeals Board (http://www.epa.gov/eab) for information concerning procedural and substantive requirements applicable to permit appeals.

We will also be posting electronic copies of the final permit, response to comment document, fact sheet, application and other supporting documents on EPA's web site at https://www.epa.gov/caa-permitting/epa-issued-caa-permits-region-1.

We appreciate your comments on the draft OCS air quality permit. We have included a response to your written comments in the response to comment document. Should you have any questions concerning the permit, feel free to contact Undine Kipka at 617-918-1335 (kipak.undina@epa.gov) or Eric Wortman at 617-918-1624 (wortman.eric@epa.gov).

Thank you.

Eric Wortman
