RETURN RECEIPT REQUESTED – PLEASE REPLY ACKNOWLEDGING RECEIPT

In accordance with the regulations at 40 CFR §§ 55 and 124, the EPA has issued a final Clean Air Act Outer Continental Shelf air permit for the following source located on the outer continental shelf:

South Fork Wind, LLC – 130 MW Offshore Windfarm

Electronic copies of the final permit, response to comments document, application, and other supporting materials can be obtained at no cost from EPA's web site at: https://www.epa.gov/caa-permitting/epa-issued-caa-permits-region-1.

The permit is effective February 20, 2022 unless a timely petition for review is filed with EPA's Environmental Appeals Board pursuant to the procedures in 40 C.F.R. §124.19. *See* 40 C.F.R. §124.15 (issuance and effective date of permit). Please refer to the regulations and to materials on the website of the Environmental Appeals Board (http://www.epa.gov/eab) for information concerning procedural and substantive requirements applicable to permit appeals.

You are being notified (via bcc) because you previously requested to be included on notifications for EPA Region 1 permit actions. Please reply indicating your receipt of this message. I am also attaching a copy of the final permit, response to comments document, and regulations at 40 CFR part 124 for your reference.

Thank you.
