From: Sanchez, Yolanda
To: Margand, Freya; Conley, Tina; Yogi, David
Subject: TASC Support for Del Amo & Montrose Superfund Sites (we will call Freya)

New TD for ongoing pCBSA chemical discussions will be TD #20

What about supporting the VI Sampling (phase IV) work that is outlined in TD#8?
* The work outlined no longer makes sense and we don't have the budget in the project approach to support it
* We still have work to support, so how do we handle this.

Clarify what the relationship should be between the community and Skeo
