Angela,

Please find the attached (link to folder below) letter for review, routing, and signature. I have included a link to the shared folder and provided permissions for all on the routing slip. You should be able to make any necessary changes and save to the folder and then route, providing the link below, to the next person. Please let me know if you have any questions or need me to do anything. If it is easier, I can route to the attorney once you have completed your review. Just let me know how best to proceed.

Thank you,

Christopher Parker
