Good morning to you, Holly. Yes, sorry, this is on the agenda to prepare a closeout letter. All requirements of the AOC have been met. I can't say when the letter will be available, but we are in the process of returning to the office and I have been covered up with many other things. No excuses, just the way things are at the moment, but I will try to get a closeout letter routing next week.

Chris

Holly,

I reviewed what you sent and sent it to EPA counsel for review. I don't think we need anything else at this time and will likely move the AOC to closure.

Respectfully,
Chris

I just sent it again. If your email is like mine it probably went to your "Other" file. I have missed so many emails with attachments since we switched over to Office 360.

Holly,

I did not receive an email from you on Dec 17. Which is strange. So I don't have the attached summary. Can you send that to me?

Thank you,
Chris
