Hi Mary,

I am sending this email as a reminder to send the signed application page and statement asap. We cannot continue processing your partial FY19 CAA 105 grant award until the signed page is received.

Please call me if you have any questions.

Thanks!

- Angie

Subject: RE: FY19 Sec105 Amendment

Hi Mary,

The Grants Office is unable to complete your FY19 CAA 105 grant award because the SF-424 was not signed. We could continue processing for most revisions, but the federal amount requested was increased by $150,000 on the revised application, which requires a signature. Will you have the appropriate person sign Page 3 of the attached SF424 and return it to me asap?

Also, the statement "This grant does not include non-recurring, non-federal expenditures" was included in the budget of past CAA 105 applications. Will you please add this statement to the budget, or send an email stating this?

I apologize for any confusion. We will continue to process your FY19 grant immediately upon receipt of these two requested items, and we intend to partially award the grant by October 1, 2018.

Please let me know if you have any questions.

Thanks!

- Angie
