Subject: Draft Area 40 FSP Addendum 2

Hi Everyone – Attached is the Draft Area 40 FSP Addendum 2, which is intended to identify the sampling plan to respond to DTSC's comments dated 8-17-2017. Please review and comment. We intend on beginning sampling the week of September 11 and anticipate sampling will continue to the end of September. Please note, this is an abbreviated FSP. For details on sampling procedures and QA/QC, please see the Agency-approved *Final Supplemental RI/FS SAP for Island Operable Unit* dated July 20, 2007. Thanks! Chris
