Subject: Remedial Design and Implementation Plan #1 - Area 40, Aerojet Superfund Site, Sacramento County, California

Hi Everyone – Per the December 14, 2018 Voluntary Cleanup Agreement, between the California Department of Toxic Substances Control and Aerojet Rocketdyne, Inc., I am hereby notifying you of the availability of the Draft Remedial Design and Implementation Plan for the first portion of work at Area 40. This plan includes, as appendices, the draft Construction Quality Assurance Plan and the Draft Health and Safety Plan.

You will soon receive an email from Ms. April Maiorino providing you a link to the document. Instructions on how to download the document will be included in the e-mail. If you have any issues with retrieving the document, please let me know.

I will be sending one hard copy of the document to you early next week. In order to maintain the schedule included in the Voluntary Cleanup Agreement, please submit your comments to me by June 28, 2019. Thanks! Chris
