Hi Stan - See attached. Sorry, tables and figures are still very crude. Only TCE results are in tables and plotted.

Ambient Air – 7 events
Soil Vapor – 3 events
Groundwater – 3 events

Let me know if you need additional information.

Chris

Hi Chris, if you have a summary table of figure with data, that would be great. If not, raw data works. Stan

Hi Stan – Are you requesting the raw lab data or a summary table or a figure with data posted? Chris

Hi Chris, do you have the data from the 3 quarters of sampling at Area 40? Does it show up in the monthly database the Peter sends out? Stan
