Greg – Attached is a letter to the editor of the *Science of The Total Environment* Journal regarding the Butte meconium study. Sandie Spence's team took the lead on this response with input from the SEMD folks....Thanks Charlie and Dan! We wanted you to be aware of this letter before we send it out. Let us know if you have any questions or comments.

Thanks
Betsy

Betsy,

Attached is a new "final" version with everyone's comments included to send up to Greg and Deb. Please let everyone know that we really appreciated how quick they got comments back to us.
