Hi everyone,

Ed just accepted the invitation to provide program updates at ASPCRO's annual meeting on August 11th and we'd like to Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

Since the focus is on non-ag, structural pesticides, are there any actions/topics that you suggest Ed includes in his presentation?

I scanned the OPP Updates webpage for actions since earlier this year and came across a few potential topics. These are my best guest, Ex. 5 Deliberative Process (DP)

In his email, Mike suggested I reach out to you again as you are no doubt inundated with email, etc. If you or a member of your group are able to participate, we would love for you to join us this year.

Thank you.

Gentlemen,

The 2021 ASPCRO Annual Meeting and Report to the Membership will be held virtually August 11-12. As part of the general session on Wednesday, August 11, we would like to include brief updates from both OPP and OECA on NonAg related items of interest. The update is planned for 3 - 3:30 PM (Eastern). The agenda is attached.

Given the time allotted, ~ 15 minutes for each of you is being held. While not a lot of time, we are hopeful you can hit on the most timely issues. It is my hope that you, or a member of your Staff, can participate.

Please let me know if you are available and willing to participate. Of course, if you have any questions or need additional information, please do not hesitate to let me know.

Thank you.
