Attachments: PFAS_Data Summary_Preliminary_01122021.xlsx

This is what I will send over to OECA.
Let me know if you have any comments
When I send this over, I will cc' Ed and Mike G
Thanks
Thuy

Kimberly
I just got off the phone with Tom C and he is requesting data for both the products and the rinsates. He said he needs the rinsates to show the source of PFAS contamination

Yes, on the product itself, not on the container. Copying Ed and Mike on this. When you send it over, will you copy us on what you transmit?

Kimberly

Is it ok for me to send the data to OECA to be included in their SSURO?
Thuy

Do you have anything you can give us? We would probably incorporate them into an MS Word table for the SSURO.

Thank you. Tom
