Thanks for the reminder, and subsequent telephone conversation. I would like to exercise OPT-2 for 2015 without any revision to the existing PWS. Attached is the IGCE for OPT-2. Thanks again for your help.

Jonathan: Last year's work effort for OPT-2 was included in the PWS, however, only OPT-1 was reviewed and approved. Will the tasks/work effort stated in the attached PWS for OPT-2 remain the same or are you going to revise it? If you are going to revise the PWS, please send me a copy. If the work effort will remain the same for OPT-2, I will delete OPT-1 and keep OPT-2 in the PWS

accordingly.

2. I will also need an IGCE for OPT-2 BAH rates, see the attached template.
