Lori's suggestion, which I agree with, is to try to get Dennis to delegate this meeting to you and/or Lori. I spoke with the RAs office about that last week, but it would probably be worth a reminder. I think we probably need to hear more details about what they are thinking, so a meeting would be fine.

As for those dates, they are ok with me although the afternoon of Jan 13th or the morning of Jan 14th would be best for me.

Yes - in fact Beth suggested they put the request in writing.

Dear Regional Administrator McLerran,

I would like to schedule an appointment with you to discuss FMC's implementation of the IRODA at Pocatello as well as potential redevelopment opportunities. I am available to meet with you in Seattle on either January 13 or the morning of January 14, 2015. Please let me know if those dates work or alternatively, others that might.

I look forward to meeting you.

Sincerely,

Barry Crawford
