Good morning guys!
Keith you are on the list as a panelist so you should have received an email from Laura Niles, probably while you were out. Let me know!

The others would have registered through the link provided in a previously email or in the fact sheet. However, once we shut down the registration I will provide an easy link that will take you straight to the meeting. By the way, we are now up to 84 registrants.

One last favor, Jeff how do you pronounce your last name? I have a southern accent and do not want to mutilate the pronunciation!

Best,

You can register now using this link https://usepa.zoomgov.com/webinar/register/WN_F6-SLtrqQlivPcyuY7KsKQ
Or I will send around an easy link Tuesday when we close registration that you can just click and join.
Since Keith has been added as a panelist, he will receive a separate email with a link to join the meeting.
He and Monica will not have to register, all others will, unless you wait and join with the easy link provided after registration is closed.
Let me know if there are further questions.

Please let me know if it is okay for us to record the meeting.
We like to record and then post them for those who were not able to attend the meeting.

Thank you so much for all of the participation from OSHA in the dry run!

Good evening!
As you are aware, EPA is hosting a virtual public meeting for the TAV Holdings Site, Tuesday, March 15th at 6pm using the zoom.gov platform.
In preparation, we would like to have a dry run prior to the meeting. If you are presenting, you are required to participate in the dry run. All others, if you are available it is only recommended so that you may have an opportunity to familiarize yourself with the platform.

PRESENTERS please check your calendars and **reply only to me** with your availability for the following date/time:

Wednesday, March 9th 11:30a to 2:30p
Thursday, March 10th 11:30a to 2:30p
Friday, March 11th 11:30a to 4:00p

For those with a presentation, please try and keep within 10 to 15 mins. I will need copies of all presentations by Tuesday, March 8th to allow Laura time to pull them all together. The actual link for registration will be sent in a separate email to keep from confusing the 2 events.

Please let me know if you have any questions or need clarification.

Best,
