Ann moved pretty swiftly to get this undone. Can you verify that the feature is indeed working again?

I spoke to Ann earlier today and I think she'd like to find a way for OSWER to elevate these things directly for basically any OEI support related issues around responses. Not sure how best to do that, but something to come back to.

Notification

Informational

Please do not respond to this message. Thank You.

OEI will be re-enabling the screenshot feature on your EPA-issued iPhone tonight, **Thursday, August 20, 2015**. This means you will be able to take a screenshot picture of the image on your mobile device screen. Please visit the Mobile Device website for additional information and contact your Local Help Desk for technical assistance.
