Don't think she'll be on, but don't really know anything more than the text of the invite! Scott Throwe would know.

Just read it quickly – my quick first cut comments in the margin.

Also, did you hear about the 12:30 call to coordinate responses on Janet McCabe asks for glass?

I was forwarded it a little bit ago. Info below - let me know if you want the invite. It overlaps in part with our meeting between the two of us. Also, let me know if it would be useful to start our meeting earlier.
