I wasn't caffeinated when we spoke at 9:00 this morning. Now feeling more clear-minded, I do think we should arrange to meet with the state and board 5 fairly soon to discuss Delta work. Dorothy and Pamela should know what we are including in the Federal Workplan before it goes public. I'll try to accelerate our prep for you, both on the WQCP as well as the monitoring strategy. And I will look for a day when it'd work for you to go to Sacramento sometime before the end of November.

As Laura is sometimes interested in what you might do on Delta matters, I'd like to tell her this is your plan.
