Background for Bay.doc
DeltaIssuePaper.doc

No one has spoken with us about the briefing. Can you get the date and agenda for the meeting we are prepping her for? How does Pete et al want to handle it? As i said on voice mail, Alexis and i are on annual leave and Jared has a meeting conflict. We are all willing to do what is necessary but we'd like a little clarity on HQ expectations.

Here's something I prepared that we could use:

And here's an Issue paper that we did a few months back. if something of this detail would be useful I can update it later today:

Hey there,

Can I move back to CA yet? Ugh! We had/have over 3 feet of snow at my house. The yard stick we used

ED_000733_DD_NSF_00045486-00001

to measure the snow fall was just a little bump after Wednesday.

Anyway, do we know who is suppose to lead this? Or should I ask, how should we do this briefing? I think all we need to do is explain what we are on the hook for. I am not sure we can get through much more in a half an hour.
