Good morning, Emily,

Thank you for bringing this discrepancy to my attention. Please find attached a revised financial report for April 2022 and the May financial report (which did not change). The invoice will be resubmitted through the Invoice Processing Platform. I apologize for any inconvenience. Please let me know if you have any questions or concerns.

Best,
Autumn

Good morning Autumn,
The totals on this report and the April 2022 monthly progress report do not match the total in the invoice in the approval system (the official invoice for April and May). I rejected payment of the invoice and will need revised monthly reports so that the totals match. Please let us know if you have any questions, Emily
