Hi David - Mike suggested this agenda item. As I understand it, the purpose is to confirm that we're all on the same page on roles relative to aquifer exemptions. I don't believe we need anything in advance. It sounds like you guys had a substantive meeting last week, and presumably this won't need to be a very lengthy discussion this Friday.

Thanks for checking in.

Hi John, Mike and I met last Friday with Jon Bishop, Clay Rodgers (RB5) and DOGGR to discuss aquifer exemption issues. Do you know the purpose of the aquifer exemption agenda item below? Assuming Mike is at this meeting Friday, I'm sure he can cover whatever it is, but

let me know if you and Jane need anything.

Thanks,
David
