Subject: California Environmental Justice Coalition, Re: Region 9 Administrator

Dear Biden Administration US-EPA officials,

Please see the attached letter from the California Environmental Justice Coalition, a broad, inclusive, grassroots statewide coalition of 73 small and large groups uniting urban, rural and indigenous communities in resistance against environmental racism and injustice, and committed to environmental, social, and economic justice.

Thank you for your time and consideration,

Thomas Helme, Coordinator
California Environmental Justice Coalition (CEJC)
