Good afternoon, all
Sorry for the late notice, but we would like to have everyone join in on the conversation regarding the proposed Arroyo Grande aquifer exemption package. The call in information is as follows:

Ex. 6 - Personal Privacy

Unfortunately we do not have the capability to do a webinar so this will all be done over the phone. Feel free to forward to anyone you feel is pertinent to the conversation and let me know if you have any questions ahead of time. Have a great night and I look forward to speaking with you all tomorrow.
