Thanks much, Lauren. I'll let people know that Margo has moved on to other projects.

No need to submit a FOIA. I'll check with Pam. FYI- you can remove Margo from future LLC communication- she did an excellent job on the RD AOC negotiations, but you'll just be dealing with me from now on. Thanks.

Hello Lauren and Margo,

It's been awhile since we talked, which is probably a good thing since it means that technical work is now going forward. I was wondering if you could check with Pam Tames or others to see if they have a copy of the following report which was prepared in 2012 for EPA:

Field Activities Summary Report, Lower Ley Creek Superfund Site (SERAS, 2012).

I have a copy of the final Data Evaluation Report prepared by SERAS (2012), but do not have the Field Activities Summary Report. For some reason, neither documents are in the Administrative Index.

Please let me know if you would prefer that submit a FOIA request and I will do so. Thanks.

David
